

NEVAFAIL™ LED I.D. PANEL

With quality componentry and versatile numbers designed to suit your application, Nevafail™ is the only reliable choice for machine identification.

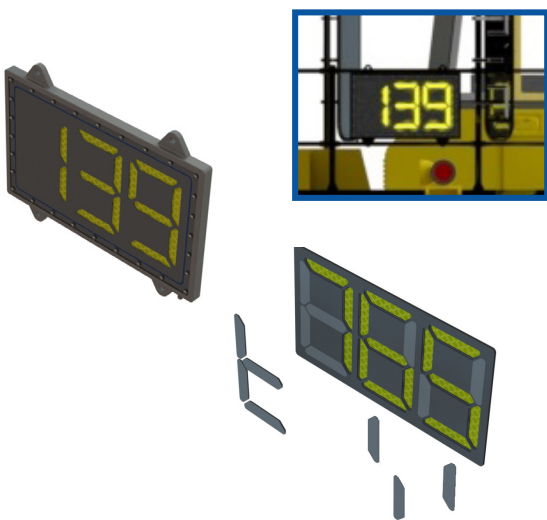

Featuring a fail-safe reflective panel, your machine numbers will remain visible in all conditions - even if the LED light fails.

Patent Application No. 2019903240

- **LIGHTWEIGHT**
- **IMPACT RESISTANT**
- **WATER, DUST & OIL RESISTANT**

- **HIGHLY VISIBLE LED LIGHT**
- **FAIL SAFE REFLECTIVE PANEL**

National Plastics & Rubber promotes safe working practices therefore, performing your own risk assessment is essential before using these products.
